Date	Aakash (what)	hours	Lalit (what)	hours	Palashi (what)	hours	Anshul (what)	hours	Parth (what)	hours	Jatan (what)	hours	Surbhi (what)	hours	Jesal (what)	hours	Megha (what)	hours
1/23/12 M	lab meet+planning next meet	2.5	lab meet+planning next meet	2					Lab meet	2	Lab meet	2	lab meeting	2	Lab meeting	2	ER and database formation discussion + Lab	2
1/24/2012	use case study	0.5							Translation of forms	2	Project Plan + Translation of forms	2	studied JavaScript	4		2				
1/25/2012	use case study	0.5	Design Architecture	2			Design Architecture Discussion	1			Minutes of the meeting	1								
1/26/2012	use cases + group meeting	1	Lab meeting	2	lab meeting	2	Lab meeting	2	Meeting	1.5	Lab meeting	2	lab meeting+ study of SDLC models for discussion	2	Studied SDLC models	4	meeting and discussion on questions to NGO and scope	2
1/27/2012			Design Architecture (Coordinator)	2			Design Architecture(Coordinator)	2							SDLC models	1		
1/28/2012			Design Architecture (Server)	1			Design Architecture(Server) + Reviewed Prototype Model wrt to our project	2.5	Studied all SDLC models and worked on prototype model	1			studies PHP	1				
1/29/2012			Reviewed Spiral Model wrt to our project	1	Reviewing concurrent model with respect to our project	2			Analysis of forms for Database + Lab work	2							Studied all SDLC models and worked on RAD model	1
1/30/2012	Lab meeting	2	Lab meeting	2	Lab meeting + SDLC discussion	2	Lab meeting	2	Lab meet	2	Lab meeting	2	lab meeting-sdlc models discussed	2	Lab meeting - SDLC models' discussion	2	Compilation of SDLC document in lab	2
1/31/2012	first insems	0	Design Modules (Coordinator)	2			Design Modules (Coordinator)	2										
2/1/2012	first insems	0	Design Modules (Server)	1		1	Design Modules (Server)	1	Translation of Solar Light Distribution form	1			SRS format and basic structure studied	1			At home - mother's sickness	0
2/2/2012	Design Review by aakash, anshul, lalit, parth	2.5	Design Review by aakash, anshul, lalit, parth	2.5			Design Review by aakash, anshul, lalit, parth	2	Discussion(review) about design Architecture	2	SDLC module study	2	meeting SRS distribution work	1	Meeting - SRS work distribution and discussion	1	At home - mother's sickness	0
2/3/2012	first insems	0							insem 1						Insem 1		At home - mother's sickness	0
2/4/2012	first insems	0							insem 1						Insem 1		at home - mother's sickness	0
2/5/2012	first insems	0					High Level Design Drawing using dia	4	insem 1		Sub Group Meeting for design	2			Insem 1		at home - mother's sickness - learned android coding	2
2/6/2012	first insems	0			1st insem	-			insem 1				lab meeting and srs	2	Insem 1		learned Android coding at home	2
2/7/2012	first insems	0	High Level Design	3	1st insem	-									Insem 1		at home - mother's sickness - android	1
2/8/2012	first insems	0	High Level Design	2	1st insem	-			Database design	1					Worked on SRS	3	at home - mother's sickness	0
2/9/2012	doc rev	1					Design Review in Meeting	1.5	Database design + Relation Schema	2					Worked on SRS	2		
2/10/2012	use cases	2	Low Level Design	3	SRS draft written	2	Low Level Design	2	ER Diagram + Relational Schema	2.5			meeting- SRS progress and SRS draft	1	Meeting - progress and review of the SRS under development	1	ER Diagram and Relational Database	2.5
2/11/2012	interim review by TA	2	Low Level Design	2	SRS improving	1			High Level Design + Low Level Design	2							Gantt Chart	1
2/12/2012	SRS, design doc review	4																
2/13/2012	SRS, design doc review	4			SRS final changes + Lab Meet	4	Minutes of Meeting and Low Level Design Review	1	Lab meet + SRS Review	3	Lab Meeting	2	Lab meeting - review of SRS draft and some final changes before submission	2	Lab meeting - review of SRS draft and some final changes before submission	2		
2/14/2012			User views	1			User views	0.5					synapse					
2/15/2012			User Manual	1.5									synapse					
2/16/2012													synapse				Project meeting	1.5
2/17/2012			User views	2	Synapse		User views	2	synapse				synapse		Synapse		Test Plan Format and work division	1
2/18/2012					Synapse				synapse						Synapse		Synapse	0
2/19/2012	Views in photoshop	2			Synapse				synapse						Synapse		Synapse	0
2/20/2012			Database Design Review	2			Database Design Review	2	Create Queries for database(+ discussion)	3	Test Plan	1.5	kohana and PHP	1	Lab meeting	1	Test Plan - Features to be tested	2.5
2/21/2012	Meeting with NGO + group meeting	4	Meeting with the NGO/ User Manual	5	Test Plan + Meeting	2	Meeting with the NGO+Group	4	Create Queries for database + Meeting	4	Test Plan	1.5	meeting	2	Coordinator side views/ User Manual	2	Meeting and Discussion	2.5
2/22/2012	Database Modification + system view(server side)	3	User Manual/ Database Design Review	3	Test Plan	3	Database Design Review+Views Review+Android Programming	3.5	Database Modification	2	Meeting + COCOMO	2	kohana and PHP	2			Revising the Test Plan and Finalizing	
2/23/2012	views (edit)	1	User Manual review	2			Android Programming+Meeting	3.5	user manual review+meeting	2	COCOMO		User manual review	1	Meeting	1	COCOMO Model review	1
2/24/2012	user manual text for server side views	0.5	PHP tutorials	2.5	Loading Eclipse and understanding its working.	2	Android Programming	4.5					traceability matrix	1	User Manual discussion and review	1	Started with database part of android coding + meeting with anshul, palashi	1.5
2/25/2012			PHP tutorials	3	Dicussion with Anshul and Megha	1	Android Programming+Discussion with Megha,Palashi	2.5	create queries(modified database)	2			exm		Reviewed HTML and understood CSS styling		Understood the Eclipse IDE	1
2/26/2012					Exam	-							exm		Studied CSS	2		
2/27/2012	Database design issues		Going through php tutorials + Coding basic framework	2	Exam + Lab meeting	1	Android Programming	3	learning kohana framework	2	Lab Meeting	2	lab meeting + traceability matrix	2	Lab meeting	2	Lab Meeting	2
2/28/2012			Going through php tutorials + Coding basic framework	2	Understanding xml making and coding for android	2	Android Programming	2.5	learning javascript + open layer examples	1	learning kohana framework	1	html coding in server side	1	Began HTML coding for server side	2	Database entry	1.5
2/29/2012			Coding basic framework	2	Running hello world on android and figuring out features of android	3	Android Programming+Discussion	3.5	learning javascript + open layer examples				traceability matrix	1	HTML coding		Problem discussion - xml view scrollable	0.5
3/1/2012			Learning Javascript	4	Fixing bugs in Eclipse + meeting with anshul and megha	3 + 1	Discussion with palashi+Android Programming	3.5			Database Entries + Meeting	2	traceability matrix+html coding	2	HTML coding	2	Group Meeting and database entry	1.5
3/2/2012			Learning Javascript	3					php tutorial	2	Database Entries	1						
3/3/2012			Server Side Coding	1			Android Programming+Work Sheet for Android	5	php tutorial	2			kohana framework	2	HTML coding		Android xml for family	1
3/4/2012			Server Side Coding	1	Coding xmls for android	4											Android Coding	2
3/5/2012			Server Side Coding	5	Coding xmls for android	2											Android Coding	1.5
3/6/2012	understanding openlayers	6	Server Side Coding	4					javascript openlayer (social map)	2			studied javascript	1			Android Coding	3
3/7/2012	understanding openlayers	6	Server Side Coding	4	Coding xmls for android	1	Android Discussion+Android Coding											
3/8/2012	understanding openstreetmap work	6	Implementing Charts	3			Android Coding	0.5										
3/9/2012	coding	6	Implementing Charts	3	-	-	Android Discussion+Android Coding	4	social map implementation + learning basic frame work	6								
3/10/2012	coding	6	Server Side Coding	3	-	-	Android Coding	6	map + learn javascript	4.5							SRS Review	0.5
3/11/2012	twitter bootstrap	2	Implementing Charts	3			Android Coding	3	explore and learn other map features(map query , jquery etc.)	2.5	Modified database entries	2			getting familiar with twitter bootstrap	4		
3/12/2012	group meeting + understanding tilemill for rendering land features on social map	3	Implementing Charts	3	Integration workup	2	Discussion+Android Coding	7	meeting+project plan v2.0 + map	5.5	Lab meeting + Cep Meeting	3.5			Lab meeting + Team meeting	3.5	SRS Review +Gantt chart	2.5

3/24/2012	2nd insems	0	2nd insems	0	2nd insems	0			insem 2		insem 2		insem 2		Insem 2		Insem2	
3/25/2012	posgresql+postgis+osm2pg work	3	worked on integration between client and server side	4	-														
3/26/2012	posgresql+postgis+osm2pg work	4	worked on integration between client and server side	4	-		Android Coding	2	Lab meeting + explore xml to database+ map (openlayer,feature,popup)	5	Sub group meeting + database	2	meeting+database	3	Lab meeting	2	Lab + Android Coding	3
3/27/2012	posgresql+postgis+osm2pg work	3	worked on integration between client and server side	4	meeting + XML coding	3	Android Coding+Meeting	6	map (feature,xml load) + validation on settings page	4	Coding of making xml file for project timeline with the help of database, through php file	6	documents +database	3	Worked on new layout of server side web interface	3		
3/28/2012	JOSM style maps	1	worked on integration between client and server side	3			Android+Server Integration	6	validation on settings page+map	3.5			documentation	2	Worked on new layout of server side web interface	2		
3/29/2012	JOSM style maps	1	integration testing	2	xml improvisation (android)	4	Android+Server Integration	6	map load OSM file + dropdown	2.5	Meeting	1	documentation	2	Meeting	2		
3/30/2012	JOSM style maps	1	integration testing	2	xml improvisation (android) + SRS review	3	Android+Server Integration +XML	6	settings page .. validation	2	Documentation	3	documentation	3	Documentation - RMP	3		
3/31/2012	Testing with NGO	8	Testing with the NGO	8	Testing with NGO	8	Testing with NGO+Android	8	Testing with NGO	8	Documentation + coding of tabular data part	7			Documentation (RMP) + Coding for Tabular Data page	7		
4/1/2012	understanding josm	1	implementing add village and add taluka pages	3	xml work	5	Android Integration +Coding	4	settings (add project) , map and add-edit co-ordinator on website	3	Documentation + coding of tabular data part + coding of modification in project timeline	9	documentation	5	Documentation - SQMP	5		
4/2/2012	Lab Meet	2	implementing tables page	3	writing minutes of the meeting	1	Meeting+Android Coding+Work Distribution	5	Lab Meet + (settings)add, edit pages , testing of this pages and improvement	5.5	coding for setting the theme of project timeline + documentation + Meeting	6	meetings+documen	4	Lab meeting - Team and Individual Project Evaluation	3	documentation	3
4/3/2012	maps to give to parth	2	implementing tables page, provided a navigation at the top	2	Xml improvisation (android)	7	Xml Improvement	6	change password page + final settings	4	Documentation RMP	2	documentation RMP	2	Documentation - SQMP + CMP	6	GPS on Android	2
4/4/2012	maps to give to parth	2	implementing tables page	3	XML improvisation (android)	5	XML Improvement + Social Map	5	Final Map features + testing serverside	3.5	Documentation	2	Documentation	2	Documentation - CMP	5	GPS Final integration	5
4/5/2012	maps to give to parth	2	testing the server side web application and making the required changes	5	Not in town	0	Android Code	7	login logout functionality +front page+ meeting + review RMMMP	6	Documentation + Meeting	4	Documentation + meeting SQMP	2	Prepared new server side test cases + Prepared Alpha Test Report format + Documentation review meeting	12	Adding features for GPS + user guide	4
4/6/2012	maps to give to parth	2	testing the web application and making the required changes	5	Not in town	0	Android Code	7	login logout functionality + meeting + project plan.....	7	Meeting + CMP	4	CMP	2	Conducted server side web interface testing and worked on the Alpha Test Report	8	User Guide	3
4/7/2012	ahmedabad travel, client meet for certificates, document review	8	integration testing	5	Other commitment	0	Android Code	1	server side coding + finalization	1.5	Meeting	2	review meeting	2	Meeting	2	Meeting	1.5
4/8/2012	Working with team	8	fixed design, other issues related to the website	5	XML improvisation (android) and smoke testing	10	Android Code	7	User manual + project plan + changes server side	7	Finalizing timeline + designing data flow of server side	5	user manual & other documenst	7	Worked on new Help manual for server side web interface	3	Documents check + gantt chart + Android coding + new documents	8
4/9/2012	map module upgrade fail	5	Documents review	4	SRS-use cases and revision, termination analysis report (revision), xml improvisation (android) and smoke testing	12	Android Code+Design Doc	7	Review SRS + RMMMP	1.5	designing class diagram of client side + Use cases of server side	5	logo+other documents	5	Worked on displaying logo on web interface + Help manual for server side web interface	6	Documentation + Activity diagrams	3
4/10/2012 + 4/11/2012	document review	8	Documents review	4	SRS- compilation and revision, code documentation, test cases and report(android side), user manual (Android) revision	10	Android Code	7	Document finalization	7	Use Cases+Use Case Model (both client and server side)+ Relation Schema of database	6	Use cases, logo, final touch	8	Final touches to the web interface	5	Document review & user guide	4.5
